

# Grace Notes

A Newsletter of St. Mark's  
Music and Worship Arts Ministries

March, 2010

Many people have asked me before about what it means to live through the season of Lent. Why must we make this journey from year to year? I believe Lent is an ideal time to focus upon our spiritual disciplines and considering our relationship with God. This influences our worship as well as we reflect upon our lives and offer up our most sincere praise, prayer, and song. May you find your relationship with God strengthened as we continue through Lent and move toward Easter.

Yours in Christ-

*Jackson*

Come and hear the beautiful sound of the flute  
and guitar with Lisa Schroeder and Michael  
Nigro, who serve on the music faculty at  
Vanguard University in southern California!

So is it "Holy" Thursday or "Maundy" Thursday?

Either term is acceptable. The term "Maundy" (from the Latin *Mandatum*),  
Alludes to Jesus' new commandment, "that you love one another." (John 13:34)  
If you have questions about Lent or Holy Week, don't hesitate to contact the ministry staff!
